Norwegian Folk Tales
The Orkney Islands are a place of mystery and magic, where the past and the present meet, ancient standing stones walk and burial mounds are the home of the trows. Orkney Folk Tales walks the reader across invisible islands that are home to fin folk and mermaids, and seals that are often far more than they appear to be. Here Orkney witches raise storms and predict the outcome of battles, ghosts seek revenge and the Devil sits in the rafters of St Magnus Cathedral, taking notes! Using ancient tales told by the firesides of the Picts and Vikings, storyteller Tom Muir takes the reader on a magical journey where he reveals how the islands were created from the teeth of a monster, how a giant built lochs and hills in his greed for fertile land, and how the waves are controlled by the hand of a goddess.

A Treasury of North American Folktales
Although there are many hidden characters left voiceless inside the world of mythology and folklore, here are the top 100 tales that deserve to be heard for the unfair cruelty and injustice the main characters faced, according to thorough research. Get to relive the moment with them and find out the truth about the actual story. In this book, you will: - Discover and learn different cultural mythologies & ample folktales from around the world. This book includes, but is not limited to, Greek, Norse, Celtic, Oceanic, Egyptian, Aztec, Chinese, Korean, Japanese, and Indian collections. - Read dark and ancient stories that are woven with mysteries and secrets. - Be the judge of the story, as this book dives deeper into the depths of just "right" or "wrong". - Get to play a free quiz that determines which character you are from the book according to your personality.

Children's Stories from Myths and Legends
The Fox is the star of more fairy tales and fables than any other animal! Find out why by reading this book. From California to Norway, Africa to Ancient Greece these stories have travelled with the people who loved them best. You can learn to be witty, clever, and outsmart your foe with the help of these fox tales. Maybe you too can learn to sing your own fox songs! The author, Brian "Fox" Ellis once had a pet fox! He has studied the science and folklore of foxes and shares his love of these cunning creatures with all who will listen. He infuses the folktales with solid science and writes science with a fairy tale spin. He has performed Fox Tales around the world and because his name is Fox, folks have given small fox carvings of virtually every style imaginable. This book is the fourth in a series called Fox Tales Folklore that blends history and ecology, poetry and personal narrative to explore themes like A River of Stories, Prairie Tales, Bird Tales and Fish Tales. All of the books will soon be available here on Amazon as a paperback or ebook, but you can also visit www.foxtalesint.com to download an audio book or you could even watch a live performance of these stories on his YouTube channel Fox Tales International.

A collection of more than one hundred tales of legendary heroes, tricksters, Native American creation stories, mythical characters, love stories, and
ghost stories celebrates the voices that make up America. BOMC.

Myths and Legends from Korea

The Folklore of Spain in the American Southwest More Than 1,000 Goddesses & Heroines from around the World Groundbreaking scholar Patricia Monaghan spent her life researching, writing about, and documenting goddesses and heroines from all religions and all corners of the globe. Her work demonstrated that from the beginning of recorded history, goddesses reigned alongside their male counterparts as figures of inspiration and awe. Drawing on anthropology, folklore, literature, and psychology, Monaghan’s vibrant and accessible encyclopedia covers female deities from Africa, the eastern Mediterranean, Asia and Oceania, Europe, and the Americas, as well as every major religious tradition.

Mythology and Folktales Asbjornsen and Moe were inspired by the German folklore collectors, the Brothers Grimm, and followed their approach to preserving these ancient tales. Asbjornsen and Moe collected and published numerous volumes of folk tales in Norwegian from 1841 to 1859 and their work became a source of great pride for the recently independent Norway. The tales were first translated into English in 1859 which helped to make Norwegian folklore popular all over the world. In this entertaining collection, the reader will find ogres, trolls, princesses in need of rescue, magical creatures, thrilling sword fights, and dangerous quests. “Norwegian Folk Tales” also provides a fascinating window into Norwegian culture, history, and religion as the deities and mythical creatures of their ancient history appear in many of the tales. This important and influential collection of folk tales will entertain and educate children and adults alike. Collected together here are all the tales translated by George Webbe Dasent, which originally appeared in two volumes, in an edition printed on premium acid-free paper.

The Enchanted Wood and Other Tales from Finland ISSN: 2397-9607 Issue 119 In issue 119 of the Baba Indaba Children’s Stories, Baba Indaba narrates an American Indian-Hopi folktale about Unktomi (Iktomi) and the Arrowheads. Two friends, one impulsive the other thoughtful, one day they discover a large spider sitting in the midst of a great many flint arrowheads. The impulsive boy wants to give the spider a fright, but the thoughtful boy said no and leaves. ?? Download and read this Native American story to find out just what happened next. INCLUDES LINKS TO DOWNLOAD 8 FREE STORIES Each issue also has a “WHERE IN THE WORLD - LOOK IT UP” section, where young readers are challenged to look up a place on a map somewhere in the world. The place, town or city is relevant to the story, on map. HINT - use Google maps. Baba Indaba is a fictitious Zulu storyteller who narrates children’s stories from around the world. Baba Indaba translates as “Father of Stories”. It is believed that folklore and tales are believed to have originated in India and made their way overland along the Silk and Spice routes and through Central Asia before arriving in Europe. Even so, this does not cover all folklore from all four corners of the world. Indeed folklore, legends and myths from Africa, Australia, Polynesia, and some from Asia too, are altogether quite different and seem to have originated on the whole from separate reservoirs of lore, legend and culture. Baba Indaba, Childrens, Folklore, Fairy T ales, bedtime story, legends, unktomi, arrowheads, two boys, hopi

The Edge of Memory ASIA is rich in folklore, legends, and fairy tales. In your hands lies a collection of tales whose epicentre lies somewhere in ancient Persia. The 25 tales in Oriental Folklore and Legend originate from countries along the fabled Silk Route (Arabia, Persia, India, and Kalmykia) and, as one would expect, they are infused with elements of Islamic, Hindu, Buddhist, and Zoroastrian culture. All were acquired from Asian storytellers. Because of this rich cultural mix, the tales abound with magicians, viziers, cobbler-s who become astrologers, adventurers and quests by the score, and common men who best both Shahs and Kings showing that brains always win over brawn. So curl up with this snippet of ancient Central Asian folklore and absorb yourself in Sinbad and Aladdin-like folk tales from yesteryear. The Kalmyk tales are of especial interest, both because of their contents and their oblique history. The extended Scheherazade-like Relations of Ssidi Kur is a marchen-cycle from the people of Buddhist Kalmykia. The Kalmykians migrated from southern Siberia to the northwest shore of the Caspian Sea in the 1600’s. Even so, they maintained strong historical connections to Tibet and Mongolia, mainly because Buddhism remains their national religion. During their “deportation” by the Russians [1943 - 1957], Kalmyk folk stories and tales kept alive the people’s hope of nation-hood and eventual repatriation. Oriental Folklore and Legend was originally published in a series of Folklore and Legends volumes by W.W. Gibbings between 1819 and 1905. The author/editor was unnamed, but the initials C.J. T. given after the preface are apparently those of one Charles John Tibbitts. A percentage of the sales will be donated to educational scholarships for the underprivileged in Kalmykia.

THE LAUGHTER of PE T ER KIN - a retelling of Old Tales of the Celtic Wonderworld In today’s society it is generally the written word that holds the authority. We are more likely to trust the words found in a history textbook over the version of history retold by a friend after all, human memory is unreliable, and how can you be sure your friend hasn’t embellished the facts? But before humans were writing down their knowledge, they were telling it to each other in the form of stories. The Edge of
Where To Download Ancient Tales And Folklore Of China

Memory celebrates the predecessor of written information the spoken word, tales from our ancestors that have been passed down, transmitting knowledge from one generation to the next. Among the most extensive and best-analysed of these stories are from native Australian cultures. These stories conveyed both practical information and recorded history, describing a lost landscape, often featuring tales of flooding and submergence. These folk traditions are increasingly supported by hard science. Geologists are starting to corroborate the tales through study of climatic data, sediments and land forms; the evidence was there in the stories, but until recently, nobody was listening. In this book, Patrick Nunn unravels the importance of these tales, exploring the science behind folk history from various places including northwest Europe and India and what it can tell us about environmental phenomena, from coastal drowning to volcanic eruptions. These stories of real events were passed across the generations, and over thousands of years, and they have broad implications for our understanding of how human societies have developed through the millennia, and ultimately how we respond collectively to changes in climate, our surroundings and the environment we live in.

The 100 Tales of Eternal Sorrow Welcome to County Monaghan, a place full of ancient secrets, uncanny stories and unforgettable characters. Visit the majestic Castle Leslie with its haunted rooms and fairy folk, hear the piercing cry of the lonesome banshee at Rossmore Castle. Stop off to share a tune with the Bragan Ghost before joining the diabolical Skelton at his eerie inn. And don’t forget to avoid the gaze of the Graveyard Bride as you pass through Erriglia Truagh Cemetery. Join author and professional storyteller Steve Lally as he brings together stories from one of Ireland’s most magical places. Accompanied by original, often haunting illustrations, these enchanting folk tales are sure to be enjoyed and shared time and again.

Folk and Fairy Tales: A Handbook

Fox Tales

Myths and Myth-makers Here are 125 magnificent folktales collected from anthologies and journals published from the mid-nineteenth century to the present day. Beginning with tales of the ancient times and continuing through the arrival of the saints in Ireland in the fifth century, the periods of war and family, the Literary Revival championed by William Butler Yeats, and the contemporary era, these robust and funny, sorrowful and heroic stories of kings, ghosts, fairies, treasures, enchanted nature, and witchcraft are set in cities, villages, fields, and forests from the wild western coast to the modern streets of Dublin and Belfast. Edited by Henry Glassie With black-and-white illustrations throughout Part of the Pantheon Fairy Tale and Folklore Library

UNKTOMI AND THE ARROWHEADS - An Ancient Hopi Folk Tale "My aim, after summarizing the sociology of the Chinese as a prerequisite to the understanding of their ideas and sentiments, and dealing as fully as possible, consistently with limitations of space (limitations which have necessitated the presentation of a very large and intricate topic in a highly compressed form), with the philosophy of the subject, has been to set forth in English dress those myths which may be regarded as the accredited representatives of Chinese mythology - those which live in the minds of the people and are referred to most frequently in their literature, not those which are merely diverting without being typical or instructive - in short, a true, not a distorted image."-- Preface.

African Folktales Herein you will find 34 folk and fairy tales from the Hawaiian Islands. Of special note is the section on the MENEHUNES, or fairy folk, of Hawaii. Unsurprisingly the islands are often referred to as the Home of the Brownies. You will also find the tales of AÌ KANAKA; A LEGEND OF MOLOKAI, MAUI SNARING THE SUN, THE LOCATION OF THE LUA O MILU, KALEEALUAKA, LAKA'S ADVENTURE, KEKUPUA'S CANOE, THE BATTLE OF THE OWLS and many, many more. If you have interest in the native Hawaiian people, and indeed the Polynesian race as a whole, then this volume is bound to keep you captivated for hours as well. This book was created in response to repeated requests from the public. The compiler, T. Thomas, G. Thrum, therefore presented in book form the series of legends that have been a feature of "The Hawaiian Annual", originally published as early as 1875 and through to the 1970’s. The series has been enriched by the addition of several tales, the famous shark legend having been furnished for this purpose from the papers of the Hawaiian Historical Society. In similar vein Abela Publishing has also published “ The Legends of Maui” a book containing the 15 legends of Maui’s exploits and adventures, under ISBN: 9781907256950. A second volume of Polynesian folklore is Polynesian Mythology Ancient Traditional History Of The New Zealanders (phew!) has been published under ISBN: 9781907256318 and has a shorter sub-title of Maori Folklore. The book contains 23 Maori myths and legends collected by Sir George Grey and published in 1945. Sir George Grey was twice appointed Governor General of New Zealand firstly from 1845 to 1853, and again from 1861 to 1868. He was later elected Prime Minister. So accurate was Sir George’s translations of Maori folklore that he was able to use the precedents in the folklore of this volume to settle disputes amongst the Maori. 33% of the net profit from the sale

Orkney Folk Tales

HAWAIIAN FOLK TALES Gathers stories about ghosts, kings, clever animals, mischief makers, devils, foolish humans and the origin of things

Folk Literature and Children Just about everyone is familiar with folk and fairy tales. Children learn about them from parents, teachers, and other adults, while researchers study these tales at colleges and universities. At the same time, folk and fairy tales are inseparable from everyday life and popular culture. Movies, music, art, and literature offer imaginative retellings and interpretations of fairy and folk tales. But despite the pervasiveness of this folklore type, most people have only a vague understanding of these tales. This reference is a convenient introduction to folk and fairy tales for students and general readers. Written by a leading authority, this handbook offers a broad examination of folk and fairy tales as a folklore type. It looks at tales from around the world and from diverse cultures. The volume defines and classifies folk and fairy tales and analyzes a number of examples. It studies the varied manifestations of fairy and folk tales in literature and culture and reviews critical and scholarly approaches to this folklore genre. The volume also includes a glossary and extensive list of works for further reading.

Oriental Story Book. Arabic Folktales

The World Treasury of Fairy Tales & Folklore This book contains 175 tales drawn equally from the ancient and modern periods of Korea, plus 16 further tales provided for comparative purposes. Nothing else on this scale or depth is available in any western language. Three broad classes of material are included: foundation myths of ancient states and clans, ancient folktales and legends, modern folktales. Each narrative contains information on its source and provenance, and on its folklore type, similarities to folklore types from China, Japan and elsewhere.

Folk Tales from China Herein are 4 illustrated tales retold by Fiona MacLeod and illustrated by Sunderland Rollinson. Three of them are a retelling of Old Tales of the Celtic Wonderworld collectively known as "The Three Sorrows of Story-Telling" or TRI Thruaighe ma Scalaigheachta. While this book may only contain four stories, they are told in their entirety and are in no way abbreviated, as so many now are, which has resulted in a not insubstantial 278 page volume. The stories in this volume are: The Laughter of Peterkin The Four White Swans The Fate of the Sons of Turenn Darthool and the Sons of Usna Much the most ancient of the "Three Sorrows" is the tale of the Sons of Turenn. The period of this tale belongs to mythological times. "The Children of Lir" may be taken as a connecting link between the mythological and prehistoric and Christian periods. The tale of "Deirdre," or "Darthool," is by far the best known in Gaelic Scotland, and is still one of the most favourite ancient tales throughout all Gaeldom. In the story of "The Sons of Turenn" author’s license has been taken with the character of Lugh, or Lu-Lamfada---Lugh of the Long Hand. In this version he is represented uniformly as sternly cruel; but it must be borne in mind that his invertebrate hostility to the Sons of Turenn was not due to insatiable revenge alone, but to his belief (as prophesied by his father) that any clemency in the fulfilment of the great evil demanded would result in terrible disaster to Erin itself. Throughout this ancient tale, indeed, Lu-Lamfada is an imitation of Destiny, or Nemesis. It may at the same time be added that in the story of "Darthool" Fergus is shown more obviously culpable than the old chronicles indicate, where he appears rather as a too innocent and trustful tool of King Concobar. So, we invite you to curl up with this unique sliver of ancient Celtic culture and lore, not seen in print for many-a-year, and immerse yourself in the tales and fables which stretch back to the dawn of time itself.----------------------------- KEYWORDS-TAGS: fairy tales, folklore, myths, legends, children’s stories, children’s stories, bygone era, fairydrom, fairy land, classic stories, children’s bedtime stories, Laughter of Peterkin, Four, White Swans, Fate, Sons of Turenn, Darthool, Sons of Usna, Celtic, King Concobar MacNessa, Tales, Celtic Wonderworld, Three Sorrows of Story-Telling, TRI Thruaighe ma Scalaigheachta, Deirdre, Gaeldom, King, Prince, Queen, Princess, Fountain, Exceeding Beauty, Touch, Fionula, Children of Lir, Fair, Young, Daughter, Beautiful, Snow-white, Swan, Turenn, Intercede, Sons, Great Raven, Glossy, Black, Burnished Sun Rays, moonbeam, counterpane, hands, awe-struck, seven stars, round eyes, shimmering green, gold, cradle, Donal McDonal, Maigred Cameron, moonlit, De Danan, Banba, Fionula, Eilidh, Dedannans, Blackwater, Meath, Tuatha-De-Danann, Nemedia, Eire, Erin, Dagda, Ardree, High King, Aileel of Ara, Killaloe, Aev, Bove Derg, Aelfa, Shee Finnaha, Lugh, Lu-
Ancient Tales and Folklore of Japan

Drawing upon the traditions of their native lands, Asian Americans have developed an extensive cultural tradition. At the heart of that tradition are some of the world's most colorful folktales. This book gathers together a selection of more than 30 Asian American folktales and groups them in thematic sections on origins; heroes, heroines, villains, and fools; society and conflict; and the supernatural. These tales reflect the traditional beliefs of the East as well as the new experiences of Asians in America. Each tale is introduced by a headnote, and the book closes with a selected, general bibliography.

Ancient Tales and Folklore of Japan

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Folklore "Folk Literature and Children leads one to valuable resource material on the subject... and should prove useful to teachers, librarians, psychologists, and students and scholars of children's literature." Booklist

A Tiger by the Tail and Other Stories from the Heart of Korea

Spanning some five centuries and twenty countries, this collection of traditional lore presents more than one hundred folktales selected from the Hispanic and Indian peoples of Latin America and the Caribbean and includes stories of mischievous tricksters, scheming witches, angels, arrogant aristocrats and humble peasants, and heroes and heroines. 12,500 first printing.

Ancient Tales and Folklore of Japan

The region of northern New Mexico and southern Colorado holds a unique place in the world of Spanish folk literature. Isolated from the rest of the Spanish-speaking world for most of its history since its first settlement in 1598, it has retained, even into our own time, much of its Hispanic folkloric heritage from the sixteenth and seventeenth centuries-ballads, songs, poems, folktales, sayings, anecdotes, proverbs, riddles, and folk drama. In this book, written in the late 1930s and never before published, Aurelio M. Espinosa, New Mexico's pioneer folklorist, presents the first comprehensive, authoritative account of the relict folklore, bringing together the results of his collecting during the first third of this century, in the Southwest and in Spain, and his many ground-breaking scholarly studies.

Ancient Tales and Folklore of China

Ancient Tales from Many Lands

Where To Download Ancient Tales And Folklore Of China

East is rich in Folklore, and the lorist is not troubled to discover material, but to select only that which it is best worth his while to preserve. The conditions under which
the people live are most favourable to the preservation of the ancient legends, and the cultivation of the powers of narration fits the Oriental to present his stories in a
more polished style than is usual in the Western countries. The reader of these Arabic Folktales will observe many points of similarity between them and the popular
fictions of the West- similarity of thought and incident- and nothing, perhaps, speaks more eloquently the universal brotherhood of man than this oneness of folk-fiction. At
the same time, Arabic Folktales are unique, lighted up as they are by a gorgeous extravagance of imagination which never fails to attract and delight. This Collection
consists of tales: The caravan The History of Caliph Stork The History of the Spectre Ship Story of the Hewn-off Hand Fatima's deliverance Little Muck The story of the
